Woodbury F. Pride, won the blue in the bitterly contested handicap classs for green hunters.

The army's entries in the polo class, however, went down to de-feat before the superb ponies entered by Brig. Gen. Keppil Bethell, of brought down last fall by Gen. Be-thell to be riddden in local polo-games. The general, however, has been unable to ride the greater part of the winter and yesterday was the first time many Washington horse-men had seen his ponies. The little trained and displayed a skill that completely outshone the American entries. "Yorkshire Lass" ridden by

her trainer, John Prestage, gave a brilliant performance and while yielding the blue to her stable mate. "Punch" was regarded in the judges' stand as easily the finest judges' stand as easily the finest pony on the field.

A picturesque bit of color was lent to yesterday's show by the brilliant jackets of the riders in the Corinthian and hunt team class. In the latter the blue went to the Du Pont team, composed of Nancy Pansy, Foxcatcher and Hexagon. Nancy Pansy was easily the victor in the Corinthian, giving a hundred per cent performance. # JAMAICA RESULTS Dominique Takes Jamaica Feature; Equals Record

Provides Upset By Beating Krewer, Stablemate, and Audacious, Favorites-Ensor Set Down By Stewards.

NEW YORK, May 17—Dominique gathered in the ponies of the Rainbow handicap at the Jamaica course this afternoon. Twas the first appearance this season of the son of 'cuer Onlince, and we will inform the world he furnished a great surprise when he slid over the line with the first prize. To get the kindly glance of the jucges, Dominique was compelled to travel the six furlongs in 1:11 4-5 and thereby equal the track record. A length

rear finished Naturalist.

There were two shocking surprises in the feature. The victory of Domnique was one, for his stablemate, Krewer, was supposed to be the one that would get home first. The defeat of Audacious was the other. This Star Shoot colt was all prepade for this race and the stable couldn't see how he could lose. Audacious was probably the best hose in the race. He got off all tangled up, came from behind like a real racer, but couldn't get up in time to nail Dominique.

A few days ago Audacious made his debut of the season and "qualified" for this stake. In that outing he showed such hidden speed that the smart gazzabos tabbed him for his next outing. Audacious just galloped along in that heat and plainly showed he was out for an airing.

And so yesterday Audaclous was the first part of a double for Harry best played hoss in the heat and went to the post at 11 to 5. The fancecas stable, Krewer and Dominique, was a lukewarm second.

# AWAKE AT LAST:---

The people have awakened, at last, to the present and future value of City lots, with one-fare transit facilities.

Last week, at Public Auction, I sold about a million dollars' worth of lots in Long Island City for the Estate of the late William G. Park.

At every session of the Park sale the buyers showed their eagerness to secure lots, but if the right proportion of New Yorkers had awakened to the facts to which the few thousand awoke, there would be a perfect deluge of people desirous of "getting aboard" before the big "boom."

-Let the residents of WASHINGTON also wake up and they will not only give up going to ball games, horse races and theaters, but will even get a furlough from work to buy a few of these Marshall Brown Syndicate "money-makingpossibility lots," which Col. Myron M. Parker, as Trustee, has ordered me to sell for whatever they will bring.

This Marshall Brown Syndicate property is located in the midst of a thriving home center, surrounded by new homes of the latest model for people of moderate means.—it has constant transit facilities to every part of the City and has all Municipal conveniences available—you can buy in a closein, new-settled and fully-developed City Community at your own price. Can't you see the great money-making possibilities of this sale?
